

REGULATIONS FOR LIMOSINE & BUS SERVICES AT RED ROCKS

When transporting guests by limo and/or car service it is imperative that you follow the rules and regulations listed below. If at any time you have any questions or concerns please locate the parking attendant who will be happy to assist you.

1. Designated limousine parking is located along the road between the tunnel and the Top Circle Lot (refer to the map on the reverse side) and will be parked on a first come first serve basis. Once this area is filled, you will be directed to overflow parking located in the Upper North Lot at the discretion of the parking management. Limos are not to park in any area that is not designated for limousines or where any parking staff has asked you not to park.
2. The top circle lot is for **DROP OFF** purposes **ONLY** and staging in the Top Circle Lot is **NEVER** permitted! You may drop off patrons in the Top Circle Lot and then you must move to the designated staging area (refer to the map on the reverse side). At the end of the evening your patrons **MUST** walk to you in the staging area. **YOU CANNOT PICK UP IN THE TOP CIRCLE LOT AT THE END OF THE EVENT!!**
3. There will be **NO** parking in the Top Circle Lot or on the ramp that leads down to the Upper North Lot. **NO EXCEPTIONS!**
4. All vehicles that are oversized or considered a bus are **NOT ALLOWED** to stage in the Upper North Lot. Instead they must drop off in the Top Circle Lot and stage in Lower South Lot 2 (refer to the map on the reverse side). A vehicle is considered oversized if it is wider than a standard town car (**6.5 FT**) in front and back. This is to ensure the Upper North Staging area is within fire lane code.
5. Parking in handicap accessible parking spots is only permitted to patrons with proper credentials including a handicap placard, registration and valid driver's license. If you are transporting a patron with disabilities you will be allowed to drop off and pick up in the Top Circle Lot. Please inform the parking attendant in the Top Circle Lot upon arrival if you may need to pick up a disabled patron at the end of the show.
6. All parking is subject to change and will be designated by the parking management team. If at any time you refuse to follow the rules, we reserve the right to ask you to leave the park. Noncompliance to these regulations will be documented and can result in being asked to refrain from providing services to Red Rocks on a permanent basis.

We appreciate your cooperation in following these regulations to make an enjoyable experience for all.
